URGENT Request

Pearson Reference: 16282
Pearson Cite #: 10.00, 14.00

Wireshark
Attn: Gerald Combs/WireShark Development

gerald@wireshark.org

Dear Gerald Combs:

Pearson Education, Inc. ("Pearson") requests non-exclusive permission to use the selection(s) (text or images) listed at the bottom of this request letter, to which we believe you hold the rights (the "Selection(s)"), in the following [educational] program, to be distributed by Pearson and its affiliates, as a whole or in part, directly and through authorized distributors:

Program/Title: Computer Networking; **Edition:** 6; **Author(s):** James Kurose, Keith Ross;
Initial Publication Date: 02/2012 (estimated); **Number of Pages:** 888 (estimated);
Proposed Price: \$96.00 (estimated).

The rights requested are for use of the Selections as follows for the above Program/Title and related teacher and student material(s) ("Ancillaries") and subsequent editions and versions (the "**Program/Title**"):

Territory: World

Languages: All

In print versions of the Program/Title and derivatives (e.g., translations, abridgements, split editions, brief editions, English language adaptations, and custom versions for use by a particular school or instructor). In non-print media versions and derivatives of the Program/Title (e.g., translations, abridgements, split editions, brief editions, English language adaptations, and custom versions for use by a particular school or instructor.) in all formats and methods of delivery (e.g., eBooks, online or download through browser or other application, or tangible versions, such as optical disks).

In accessible versions (e.g., Braille) for use by individuals with disabilities that impede their use of the standard versions.

In some versions, we may re-use only parts of the Program/Title, such as an individual chapter, alone or together with content from other works. In all cases, we will continue to use your Selections in the same context. Our request also includes the right to display the Selections in context for purposes of promoting the Program/Title.

Full credit will be given to the source you identify. Please indicate your agreement by signing and returning this letter to Jennifer Kennett. If you are not authorized to grant any or all of these rights, I would appreciate your letting me know the person we should contact to request the rights.

In the event that use of a Selection by Pearson or its affiliates exceeds this license granted to Pearson, or any other terms or obligations between Pearson and you, Pearson's sole obligation to you and the rights holder shall be to pay for such additional use or uses in accordance your or the rights holder's standard fees for such use, and the terms and conditions of this Permission Request and License shall apply to such additional uses.

You agree that the terms of this Permission Request and License shall govern, without regard to other licenses, permissions or other terms and conditions on any website, forms, documents or invoices. All other

terms are void.

Sincerely,
Jennifer Kennett

I (we) grant permission for the use of the Selection(s) (text or Image(s)) as set forth above.
